A message from Mr Ward

Kevin Ward

The summer holidays have arrived after a very busy and productive term. The children have now visited their new classes. Year 6 SATS results show our best results ever, with 96% of children reaching the age expectation or above. Years 2 and 1 did well in their SATS and Phonics tests, and throughout the school our children have made good progress. We have enjoyed a year full of exciting and educational visits and activities, performances and plays. As ever our aim has been to give Holmleigh children the best possible experience of school, so that they learn well and have as much fun doing it as possible! A huge thank you to all the staff, children, parents, volunteers and others who combine to make Holmleigh such a great and successful community.

We look forward to seeing everyone in September, and would like to wish you all a safe and happy holiday.

Reception

We had a really good time at the Horniman Museum, in Forest Hill, South London. We took part in an African workshop where we handled musical instruments and modelled clothes made from African Fabrics. It was a long journey and it was hot but the children managed very well!

SCHOOL TRAVEL PLAN

Friends of Holmleigh and the STP Champion with parents support started a small petition about Dunsmure Road being unsafe. There was no 20 sign and so the speed of the road was unclear. They were very successful, as a new 20 sign was put up. Thanks all.

Ms Innie
